THE MINISTER OF LAW, JUSTICE AND COMPANY AFFAIRS (SHRI M. THAMBI DURAI): (a) to (d) Although the expenditure to be incurred in respect of High Courts and Subordinate Courts is primarily the concern of the State Governments/UT Administration, a Centrally Sponsored Scheme for the development of infrastructural facilities for the. judiciary is being implemented from 1993-94 with a view to augment the resources of the State Governments. The Scheme includes construction of court buildings and residential accommodation for Judges and Judicial Officers. As per the Scheme, the State Governments are to contribute an amount equivalent to the amount released by the Centre. However, the State Governments are free to spend additional amount over and above the amount required to be spent by them under the Scheme.

The Planning Commission provides funds to the Department of Justice every year for this scheme. Thereafter, the funds are allocated to all the States/UTs on the basis of the criterion approved for this purpose by the Planning Commission. Based on this criterion, an amount of Rs. 153.41 crore has already been released to various States/UTs during the last three years, as per the details given in the Statement below.
